# Geopolitics & Diplomacy

***Prof. Carmen Amado Mendes***

*( International Relations Department at the Faculty of Economic, University of Coimbra, Portugal)*

***Date : 3th / 10th / 14th / 24th November***

***Time : 14:00 – 16:00***

***Venue: HG01***

**Abstracts:**

**Aim at introducing the emergence, definition and historical evolution of the concept of geopolitics; the main schools of geopolitics; the geopolitical space; power; and components of the military factor. In addition, it will approach the main issues related to diplomatic activity, with emphasis on external policy, including the analysis of internal sources, the external dimension, decision-making theories, military interventions, new dimensions of security, economic instruments, human rights and public diplomacy. An introduction to international negotiation theories and cross-cultural negotiation will be also included.**

*All are welcome!*
